Dear Sirs,

Sub : The allegation of sexual misconduct of Fr. Jeyapaul and our sentiments. This is to express our sentiments of shock, regret and pain on the accusations that you have leveled against Fr Joseph Palanivel Jeyapaul, of his sexual misconduct with a minor girl in Green Bush.

We have know Fr. Jeyapaul, for the past three decades as a priest, working amidst us in various capacities, as parish priest, correspondent of an esteemed school here and as secretary of the Diocesan Education Commission and as the animator of the Christian Rights movement.

All of us, with out any reservation, will vouch for his impeccable character as a priest and as one who had been carrying on his ministry with meticulous care and who has been deeply involved in the offices that were entrusted to him. You are quite aware that a priest here has to come in contact with any number of children, adolescents, family people and others and JP was no exception either. He was the correspondent of St. Alphonsa Central Board School for seven years from 1997 to 2004 and this school had 800 children, of whom 350 were female children. Not a single child has cast any aspersions on him. So too, as the secretary of the Education Commission, he had to come in contact with hundreds of teachers, 50% of them females and all of them hold him in high esteem for his integrity and honesty. And of course to their pastoral needs like counseling, animating pious associations, administering sacraments and strengthening them in faith.

Even in USA, where he had been working for 12 months in Crookston Diocese there are any number of parishioners who are deeply appreciative of his ministry and who are ever willing to bear witness, even in a court of law for his innocence and sincerity. We have seen the pouring in of such sympathetic letters to Fr.Jeyapaul. Even the then Bishop Victor Balke, in his letter dated, 12th Sept 2005 to the then VG, states that the allegations against Fr. Jeyapaul have been cleared.

When such is the case, we are deeply pained at the allegations and the punitive actions that the church has initiated against him at the intervention of Vatican.

We find a deep- rooted conspiracy against the catholic church in USA by such baseless accusations, maligning the name of the individual priests and assassinating their character and damaging the image of the church. For us, the Catholics of the Third World, this is very painful.

We all the signatories of this letter, from the different parishes spread throughout the Diocese, request you to withdraw such false allegations. Only this will restore his image and help in his re-instatement. You are Justified in your sentence and blameless when you pass judgment. But Fr. Jeyapaul is innocent, we assure you.

Hoping that you will pay heed to this appeal of ours, we affix our signatures below. We beg you to withdraw the case. We plead you to withdraw the case. We believe, you do this favour for us. Kindly have mercy on us. Kindly drop the extradition process.

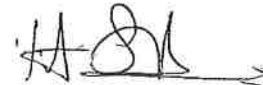

Thanking You
