The Rev. Vincent Fitzgerald, O.M.I.
King's House of Retreats
Henry, Ill.

Dear Father Fitz:

I trust that by now you have had some rest to recover from your breakdown.

I would like to assign you again to the work you loved so much before. Your obedience is to Orr. The people there need gentle urging to be good Catholics and you are highly qualified for the job.

You might think of a new rectory if that is possible.

There is no rush in this assignment. If you need more rest feel free to take it. Father Ott is going to the Shrine.
