RE:	Father Nicolas Aguilar-	vera

In March 1987, Father Rivera, a prie of the Diocese of Tehuacan, Mexico, asked if he could work in th Archdiocese. We appointed him to assist pro tem in Our Lady of Guadalupe (Rosehill), and after we received a confidential letter from his Bishop, we appointed him Associate to Father REDACTED at St. Agatha (May 1987). His Bishop stated that he had come to the United States because of family problems and for health reasons. Father Rivera is forty-six and was ordained in 1970.

On Friday last, Father REDACTED called me to tell me two of the families in his parish told him that Father Rivera had abused their children. One incident apparently took place over Christmas, when Father Rivera stayed at their house, and another took place at St. Agatha's during the summer, when the family visited him there. According to one of the families, he was involved with their children also, but Father REDACTED has not spoken to them.

I saw Father Rivera at St. Agatha's on Saturday morning and told him he could not serve in this Archdiocese until a full investigation took place, and that his faculties were withdrawn, and that his Bishop would have to be informed of the accusations. I offered to find a place for him to live until he could make other arrangements, but he volunteered that he would stay with his sister here and leave for Mexico on Monday or Tuesday of this week. He denied all the allegations.

I found out on Saturday that the principal of the school at Our Lady of Guadalupe has been informed of the accusations, so she will be obliged to report it to the police.

I asked FatherREDACTED to encourage the parents to see me, and I will keep in contact with him. I have consulted with REDACTED

On Friday, January 8, Father REDACTED called me to say that a family had contacted him to say that a priest had abused their children. The mother would not give him the name of the priest. He called me later to tell me that another family had given him the name.

The Families are: REDACTED REDACTED REDACTED REDACTED He also believes that the family of REDACTED REDACTED REDACTED is also involved.

He mentioned that they were all trustworthy people. On incident took place with a boy from REDACTED family last summer. The family went to visit St. Agata's and Father Rivera took one of the boys out to lock the church, and an incident occurred at that time. Another incident is alleged to have happened at Christmas when Father visited the other REDACTED family. There was a good deal of drinking, and the family asked him to stay. He slept in the room with the children and is supposed to have gotten into bed with one of the boys that night. It appears the REDACTED about some problem with their children, but she did not believe them and asked him over for Christmas.

The parents were reluctant to talk to Father REDACTED, because they felt he would have a bad opinion about Latin priests. The children involved are: probably a seventh and fifth grader for the family of REDACTED and a fourth grader and a fourteen-year-old from the family of REDACTED All except the fourteen year old attend Our Lady of Guadalupe school. The children have been talking among themselves. The parents have also discussed the matter between themselves.

I spoke to REDACTED on Friday afternoon and REDACTED EDACTED

I spoke with Father Rivera at St. Agatha's on Saturday morning, January 9. I told Father he would have to leave and that the Archdiocese would pay for him to stay at a retreat house. He volunteered that he would stay with sister in REDACTED ,REDACTED ,REDACTED ,REDACTED ,REDACTED ,REDACTED (Father REDACTED), and that he would leave for Mexico on Monday or Tuesday. (Father REDACTED came to interpret.) He asked that his bishop not be told, and I said that would not be possible. I told him the charges as I knew them, although I did not give the names of the families. He denied all, although he admitted that there was a good deal of drinking at Christmas. I told him that it was likely the accusations would be reported to the police and that he was in a good deal of danger.

On Saturday afternoon, January 9, Father REDACTED called me to say that the first grade teacher had been told and she had told the principal. The teacher seemed to think she was not bound to report. I checked with REDACTED and she confirmed that both teacher and principal had to report and I called Father REDACTED back and told him this. They had just found out the previous day. He told me that Father Rivera had called the parents sometime during this week and that they were both cold to him.

Most Reverend Norberto Rivera C. Bishop of Tehuacan Obispado de Tehuacan Apartado Num. 137 75700 Tehuacan, Mexico

Dear Bishop Rivera:

It is with great sorrow that I write to you, but it has come to our attention that several families in Our Lady of Guadalupe Parish, Los Angeles, where Father Nicolas Aguilar-Rivera served for some months on his first coming here, accuse him of acting very inappropriately with their children. Two families have already spoken to the pastor of that parish, and he knows of another family that has not yet approached him.

According to the civil law here, the accusations must be reported to the authorities.

I spoke to Father Aguilar-Rivera on Saturday, January 9, and told him that until a full investigation has taken place he may not serve in this Archdiocese and that his faculties have been withdrawn.

I believe he plans to stay with some family members here and then return to Mexico.

I regret having to inform you of this, but I believe you would want to know of this information.

Sincerely yours in Christ,

DETECTIVE NORM BOMNEAU

Spoke to him at Our Lady of Guadalupe School.

Told him I had seen Nicolas at St. Agatha and gave him sister's address. He asked me not to call. I explained that we could not leave him at a parish, and that I had offered to find him housing. Officer asked me if Nicolas intended to flee to Mexico, and I said I was not sure. Originally, I told him that he was staying with his sister and that he intended to return to Mexico since he had no job here.

I also said that Nicolas knew that it would probably be reported to the police, and that I had explained that some people were bound to report.

REDACTED told him about his having trouble with the Communists, and I told him I knew that. He asked if we checked with his bishop and I explained the procedure for getting a confidential letter.

The Detective said he would call Nicolas today and would get back to me and let me know the state of the investigation.

## MEMORANDUM

CONFIDENTIAL

FROM:

Msgr. Curry

REDACTED .

Rev. Nicolas Aguilar-Rivera

This concerns the Mexican priest who was assigned to St. Agatha and was accused of abusing children from Our Lady of Guadalupe. The police are making every effort to obtain the list of altar boys from St. Agatha's. Father REDACTED is very reluctant to give it to them, and I support that decision. We have no evidence that Father Aguilar-Rivera was involved with altar boys as such. All the boys involved were members of families he was friendly with in Our Lady of Guadalupe, and the alleged abuse took place while he was visiting these families or while they were visiting him.

Father REDACTED, has no knowledge of his being involved with boys at St. Agatha's, and his concern is that if the police come and interview the boys, the matter will spread around the parish. The parish there is a Black-Hispanic one, and he finds his situation as an Anglo pastor a very delicate one. He and I are also concerned about the police interviewing boys about this matter when we have no reasonable suspicion they know anything about it. If, in fact, nothing happened at St. Agatha's, such interviews may have a negative effect on the boys, their families, and the parish.

The whole issue of our records is a very sensitive one, and I am reluctant to give any list to the police.

We are being friendly but firm, and both REDACTED \_ and I are in contact with the police on this matter.

gire such a list for no cause utataveror.

Sergeant REDACTED called week of January 25, early in week. He works in Chief's Office. He had been contacted by Detective REDACTED He wanted the list of altar boys at St. Agatha's. He made much about hostile publicity for the church and the fact that he was Catholic and very much involved in the Church. There were two sets of parents especially angry. they want to see if there are victims at St. Agatha's. If something like this gets out of joint, we don't want anyone to get discredited. They have adequate probable course to continue the matter at St. Agatha's. He did not want to go over my head to the Archbishop. Told him I would continue to work on it.

REDACTED

///

Captain REDACTED Commanding Office of Juvenile Division called me 1/28/88. The police had a moral and legal obligation to continue the investigation and to interview the boys at St. Agatha's. He said this to me at least four times. He made much also of publicity and mentioned a case at Mary Star, San Pedro. When I asked him about this case, he did not know anything.

He said that if they did not get the list of altar boys, they would go to the masses, see the altar boys, follow them home and speak to them. He said they had seven reported cases. I asked him if he could give me any new information that would enable us to make a decision, but he did not give me any.

He said he did not understand our reluctance, but he did not seem willing to listen to my explanation. I mentioned that all the reported cases were at the other parish.

He seemed only to have the most general knowledge of the case and was very unprepared to discuss the details.

I stressed the fact that we wished to cooperate with the police. he left it that, if he did not hear form us by Monday, the police would go on with their own methods. I did ask him in the course of the conversation why they did not get a subpoena, and he said they did not need one.

Father REDACTED 1/28/88

I spoke to Father REDACTED after talking to Captain REDACTED nd updated him on the situation. He does not wasn't the records given out. There are about twenty-five altar boys.

Father Aguilar was not close to families, and that surprised . No one has come forward. There were altar boys at his Masses.

There was one meeting at which \_\_\_\_ was present, but then Father Aguilar

dropped the whole thing, and there were no more meetings. As a result, the altar boys do not know what they are doing.

The people do not know why he left.

There is no evidence that he was friendly with children.

## Nicolas Aguilar-Rivera

Spoke to Father REDACTED January 28, 1988. REDACTED met Mrs. REDACTED and discussed the incident. It appears Father brushed up against the boys in the sacristy, but the children are not traumatized, and the parents see it as no big deal.

He encouraged them to go to counseling—they are all aware of Mrs. REDACTED There are three boys who serve. He is not sure if they have filed a complaint.

## **Visiting Mexican Cleric Flees**

## Priest Sought in Alleged Molestation of Altar Boys

By MARITA HERNANDEZ, Times Staff Writer

A visiting priest from Mexico, who gained the confidence of Spanish-speaking families in two Los Angeles Catholic parishes and was welcomed into their homes, is under investigation by police for allegedly sexually molesting at least 18 altar boys before fleeing the country.

Investigators said they expect the number of alleged victims to rise. So far, they have been able to reach only about half of the two parishes' 60 or so altar boys. The children, ranging in age from 9 to 13, make up the primary group of possible victims, police said.

The priest under investigation was identified as Father Nicolas Aguilar Rivera, 46, by Detective Gary Lyon of the Los Angeles Police Juvenile Division.

The alleged molestations—ranging from fondling to masturbation—began last April, shortly after Aguilar arrived at Our Lady of Guadalupe parish in the El Sereno area of East Los Angeles and ended about a month ago, with his sudden departure from St. Agatha's Parish in South-Central Los Angeles, police said

Police said they have received less than full cooperation from the church in the investigation, and parents who opened their homes to the priest and encouraged their children to spend time with him have raised questions about the church's handling of the case.

Father Joseph Battaglia, a spokesman for the Roman Catholic Archdiocese of Los Angeles, said Please see PRIEST, Page 32

#### Continued from Page 1

the archdiocese's immediate response upon learning about the charges against Aguilar was to remove him from all church duties. Folice were not notified until two days later.

"He was asked to stay in the country to face the accusations against him, but he chose to leave," Battaglia said. He added that the archdiocese has contacted Aguilar's church superiors in Mexico "to try to convince him to come back."

The archdiocese's decision to confront Aguilar with the allegations two days before reporting the matter to police may have madventently allowed the priest to condemnest, Detective Lyon said.

He caid that while the church "acted properly in relieving [Aguilar] of any duty involving children ... it's unfortunate that we couldn't have been there when he was notified [of the allegations] by the archdiocese,"

#### Called by Principal

The police first learned of the alleged molestations when they were called by the principal of the Catholic school affiliated with Our Lady of Guadalupe Church. Because multiple victims were alleged, the officers were prepared to take Aguilar into custody, Lyon said.

Some parents resented having learned about the alleged molestation from police rather than church authorities, and that the priest's gudden departure from their parish about a month ago was explained to one of the congregations as a "family emergency."

"The church shouldn't be telling lies," said the father of two of the

the care and control of children, usually leads to felony charges as well, he said.

Police efforts to contact all potential victims of the alleged molestation have been hampered by the church's refusal to furnish lists of altar boys at the two parishes, Lyon said.

"We've had to ferret out the names on our own," he added. At Our Lady of Guadalupe parish, where Aguilar spent about two months, parents provided police with a list that has allowed investigators to contact most of the boys there, Lyon said. But no such list has been available from St. Agatha's parish, where the priest worked for eight months.

Investigators have been slowly contacting some boys through public schools in the St. Agatha's

For some supposedly educated person to come into my home and disrupt my family."

After he learned of the alleged molestation, the father spoke to close friends with whom the priest had also stayed overnight. When questioned, the second couple's children told their parents that the priest had fondled them during a three-day stay at their home.

"We opened the doors to our home because my children liked him and because one of our sons has a vocation for the priesthood and we wanted a priest to counsel him," the second father said.

As he did with other families, Aguilar attended family gatherings and took the children on outings. The priest also asked the families to allow their children to teach him English. Several said they gladly gave their permission.

It was during these private English lessons, several of the children alleged, that they were molested.-

The two couples and a third, whose children also said they were molested, pondered what action to take for about a week before approaching their pastor and the school principal, who eventually reported the matter to police.

Although parents said they hope that the priest is located and either forced into psychiatric treatment or punished, most of the parents said that the painful experience has not shaken their faith in their church.

For the one family, however, the experience dealt a more severe setback.

"My kids have always helped out at the church and we've encouraged them," the father said. "I didn't want them hanging out on

## CONFIDENTIAL

MEMO TO FILE March 4, 1988

RE: FR. NICOLAS AGUILAR-RIVERA

On March 4, 1988, I talked to Officer REDACTED regarding the progress of the case. He informed me they presently have 26 crime reports ready. There are approximately 15 more children to interview in St. Agatha's Parish. The incidents in St. Agatha's Parish apparently happened in a classroom in the Church, in that the children were teaching Father English. He may have one or two boys with him and his mode in the classroom was to sit between the boys and then start fondling first one boy's genitals outside the clothing and then the other boy's. Therefore, the police do have some corroboration testimony when it occurred to two boys at the same time. Some of the boys were then asked to feel Father's genitals, but always on the outside. He inferred that there is one case that is serious.

He stated that one family in St. Agatha's he is very concerned He is so concerned that he did give me the names and would may contact the family and offer counselling hope that Fr. REDACTED The two boys involved are a fourth grader named REDACTED personally. and a third grader named REDACTED REDACTED They attend Aegina Rhoades School. On March 2, 1988 the officer went to their home and talked to the parents, and he found them extremely disturbed in the sense that the father of the family does not believe it happened and the mother was angry. When they talked to the children at school, a counsellor without even knowing what he talking to the third grade about, stated that REDACTED had been student and in this past year has exhibited many problems. The mother told the officer that REDACTED bad-mouthed the teacher even in front of her and that he has been becoming impossible.

He told me that he has contacted most of the families offering the name of REDACTED for counselling with her number. He has found the families extremely reluctant even to think of counselling and, in fact, overall he has been impressed by the deep faith of the various families, and that they more or less wish the whole thing would go away. He did state that parents have resented that they have interviewed their children at times and it has not been easy for the police. I informed him that I had told him that before and that's why we were reluctant for them to do this mass interview. The police have also been accused that they are doing this because all they seek is publicity.

He also informed me that since the incidents occurred to children under the ages of 14 and involved touching genitals, this would be a felony and, therefore, the police will go to the District Attorney's Office versus the City Attorney's Office to lodge the police report We had a good discussion on how both of us hope that the City Attorney's Office will decide just to accept the police report and not make a decision that they have to interview the children again. It is not in the best interest of the children for this to occur. I really stressed to him that the police need to help us in this area, because it will do no one any good to keep this thing going.

Re: Father Nicolas Aguilar Rivera

I then asked if they had found my man in Mexico? He stated that at this time they have made a decision not to look for him, but that could change as time goes on. He told me if I had heard what the reporter stated that she had reached somebody in the Diocese from which he came and that he was at a parish there and then told about the charges in Los Angeles, that he left the parish and no one knows where he is at this time. The officer and I both decided that we could not give too much credence to that story, since newspapers are not our most reliable source.

Dear Lieutenant Day:

It was good meeting you yesterday in Newport Beach for the special Conference on Obscenity and Pornography.

I appreciated the opportunity to speak with you about those tragic cases in which an employee of the Archdiocese of Los Angeles may have been involved in some child abuse case. The current case involving the Mexican priest, Rev. Nicolás Aguilar Rivera, is particularly tragic for the young people and their families who had been molested by him.

It would be very helpful if we could arrange a meeting very soon with myself, Monsignor Thomas Curry, my Vicar for the Clergy, REDACTED REDACTED I am asking them to work with your office on this matter so that we can meet soon.

You should also know that last evening, upon my return to the Cathedral, I wrote a special letter to Bishop Norberto Rivera Carrera, the Bishop of Tehuacán, México, asking his immediate assistance in our combined efforts to locate Father Aguilar Rivera and to seek his immediate return to Los Angeles to face the charges which have been brought against him.

Since the news media had intimated on Friday that he may have fled to Cuernavaca, México, I also wrote to the Vicar General of that Diocese asking their assistance in giving us the names, addresses, and telephone numbers of any relatives of Father Aguilar Rivera who might live in that Diocese. Since the former Bishop of Cuernavaca had been transferred to Guadalajara as the new Archbishop there, I do not know who the new Bishop is. The Vicar General, however, will be in a position to assist us.

It was my intention to send those two letters this morning via the U.S. Postal Service's EXPRESS MAIL International. However, when I arrived at the Terminal Annex branch to send the letters, they advised me that one cannot just send International EXPRESS MAIL to cities in Mexico. It is necessary to have made written application in advance, giving the Postal

Lt. Steve Day March 5, 1988 Page two

Service the names and addresses of everyone to whom you wish to send Express Mail. It then takes ten days before the Postal Service will approve the sending of such Express Mail.

Because of that delay, I had the two letters sent via AIR MAIL SPECIAL DELIVERY to their respective addresses. While this will take a little longer than the Express Mail would have, still my letters should be there early the week of March 7th.

As soon as my Office hears anything from either of these sources we shall share the information with you at once.

As you know, our immediate and primary concern in these cases is the well being of the victims and their families. We offer them professional and spiritual counselling so that they can begin to cope with this difficult experience.

But our next concern is to make certain that the charged employee is made answerable to the civil authorities so that no one else suffers in any way.

Looking forward to our meeting, as well as to cooperating fully with you, I am

Sincerely yours in Christ,

Most Reverend Roger Mahony Archbishop of Los Angeles

Dear Families:

I wish you to know the deep sadness which I feel because of the difficulties associated with the actions of Father Nicolás Aguilar Rivera from México.

In these unfortunate cases, my immediate and primary concern is to reach out to the young people who have been affected in any way, and to offer the spiritual and counselling resources of the Catholic Church to assist them and their families. RE:	Aquilar Case

Father Bill McLean called. Another victim has emerged. a nephew of Lupe Mendosa. He has written you about this. Also, Father Nicoas phoned one of the parents acting as if nothing had happened. She asked him "Don't you know everybody is looking for you?" He said, "For what?"

Fr. McLean said that she has communicated this to the Police. And also told the Police as well as she could where the call came from--dome place near Cuernavaca.

CONFIDENCIAL.

Muy estimado Monseñor Mahony:

Al recibir hoy su carta doy contestación inmediata mente para agradecerle la información que me da sobre el Padre Nicolás Aguilar Rivera. Ha sido muy doloroso para mí recibir estas informaciones de parte de la Curia y por la prensa de Estados Unidos y de México.

Estoy totalmente de acuerdo con usted en que el Padre responda ante las Autoridades competentes de los cr $\underline{\hat{1}}$  menes que se le imputan.

El Sacerdote mencionado no ha regresado a ésta Diócesis y no cuenta por tanto con las licencias que se le concedieron por Un Año con motivo del permiso que solicitó para residir en Los Angeles. Puedo informarle que el Padre estuvo por más de diez años en la Parroquia de San Sebastián Cuacnopalan y sin duda alguna la Policía ahí puede encontrar mucha información.

El Padre es hijo del señor Senén Aguilar y Fortunata Rivera y nació en Huehuetlán el Chico, Puebla en donde también hay muchos familiares que pueden informar sobre él. Sé que varios familiares viven en los Angeles,
California, no tengo idea ni de sus nombres ni de sus do
micilios. Usted comprenderá que no estoy en la posibili
dad de localizarlo y mucho menos de poderle enviar por
la fuerza a que comparezca en los tribunales. Estoy en
la mejor disposición de colaborar para que se haga justi
cia y para que se evite el escándalo.

En la carta de presentación del 27 de enero de 1987 incluí una fotografía de identificación y en carta CONFIDENCIAL del 23 de marzo del mismo año le hice un resumen de la problemática homosexual del Padre.

Aprovecho la oportunidad para encomendarme a sus ora ciones y repetirme de usted su hermano y servidor.

#### Rough:

I am totally in agreement with you that this priest should answer to the authorities for the crimes imputed to him.

Fr. Aguilar has not returned to this Diocese and does not have the permission given him to live for a year in Los Angeles. I can inform you that he was for more than 10 years in the parish of San Sebastian Cuacnopalan and without doubt the police there can provide much information.

Father is the son of REDACTED and was born in Huehuetlan el Chico, Puebla, where he has many other relatives that can tell you about him. I know that several of his relatives live in Los Angeles. I have no idea of their names and/or addresses and you will understand it is not possible for me to locate them. I am disposed to help in any way I can.

Our January 27 letter included an I.D. photo and also in a confidential letter of March 23 I gave a brief account of the homosexual problems of this priest.

Revdmo. Norberto Rivera C. Obispo de Tehuacán Apartado Postal 137 75700 TEHUACAN Puebla MEXICO

Muy Estimado Monseñor Rivera:

Acabo de recibir hoy mismo su atenta carta con la fecha de 17 de Marzo de 1988.

Quiero responderle a Vd. inmediatamente porque yo estoy sorprendido y trastornado por estas palabras en su carta: "En la carta de presentación del 27 de enero de 1987 incluí una fotografía de identificación y en carta CONFIDENCIAL del 23 de marzo del mismo año le hice un resumen de la problemática homosexual del Padre." Quiero decirle que yo no he recibido ninguna carta de Vd. con la fecha del 23 de marzo de 1987, ni otra información tocante a "la problemática homosexual del Padre."

Yo le mando una copia de su carta del 27 de enero de 1987, con la fotografía de identificación. En esta carta Vd. me escribió: "Por motivos familiares y por motivos de salud el Padre Nicolás Aguilar Rivera, Cura Párroco de Cuacnopalan, Pue., perteneciente a ésta Iglesia de Tehuacán, desea permanecer por Un Año al servicio de la Arquidiócesis de Los Angeles." Basado en sus palabras "Por motivos familiares y por motivos de salud" yo acepté el Padre Nicolás Aguilar Rivera para servir aquí en esta Arquidiócesis.

Estoy muy confundido, porque en la carta del 27 de enero de 1987, Vd. no mencionó ningún otro problema personal de la parte de este Padre Aguilar. Si Vd. me ha escrito que el Padre Aguilar tenía algún problema "homosexual," le aseguro que no lo hemos recibido aguí en esta Arquidiócesis. Tenemos aquí en la Arquidiócesis de Los Angeles un plan de acción bastante claro: no admitimos ningún sacerdote aquí con cualquier problema homosexual.

Es tan urgente que Vd. me mande, por favor, una copia de esta carta con la fecha 23 de marzo de 1987. No la hemos recibido, y ya es una situación muy grave porque Vd. supo el 27 de enero de 1987 que el Padre Aguilar tenía problemas homosexuales, y no compartió esta información conmigo ni con los oficiales de nuestra Arquidiócesis de Los Angeles en su primera carta.

Revdmo. Norberto Rivera C. 30 de Marzo de 1988 Página dos

No puedo acentuar que ya tenemos una situación más grave porque yo hice una decisión a dar al Padre Aguilar un nombramiento temporáneo aquí basada en su carta del 27 de enero de 1987.

Voy a compartir con La Policía de Los Angeles su carta del 17 de Marzo de 1988, y espero que ellos puedan ubicarlo allá en México.

Le pido a Vd. que todos los sacerdotes de la Diócesis de Tehuacán oren por los Años y jóvenes afectados por las acciones del Padre Aguilar.

Sinceramente en Cristo,

Revdmød. Roger Mahon

My Dear REDACTED

The present is to inform you that my office has cancelled the appointments that had been given to you for the month of June. The reason, as you know, is that during the month of May, you did not present yourselves at three of the appoints that had been made for you; these appointments were not cancelled by you, notwithstanding that my receptionist had reminded you over the telephone the day before each appointment.

Your multiple occupations probably have not permitted you to take advantage of the opportunity that the Chancery has put at your disposal, with regard to receiving psychological help for yourselves and your children. As I explained to both of you, his help is not only advisable, but also necessary, for cases such as yours.

When you consider that you are ready to resume treatment, please call my office to make a new appointment.

Attentively,

Dear Archbishop Mahoney;

I heard on a radio talk show that there was a priest in L.A. who had molested several young boys (we also had one here in S.B.once) and that you sent him out of the country to avoid imprisonment. Why do you think a priest is above the law? He can now go ahead and do the same thing in whatever foreign country he is now in. Someone who is not punished for his crime is apt to continue in it,don't you think? He kmay need phycriatic care but he also shhuld be punished in some way, I believe.

I know that God forgives a repentant sinner, and I,m sure he has repented, but I still think he should have to accept the same punishment any one elso would get for the same thing, in fact, it's even worse for a priest who is supposed to be an example to young children. God forgive him! I am saddened and shocked by the story, and I hope you will write and enlighten me as to the reason he was treated as I heard he was, in other words sent out of the country to avoid yail. If what I heard is untrue, I would like to know that. Thank you,

Sincerely,

Dear REDACTED

Thank you for your letter of August 4 to Archbishop Mahony.

Earlier this year, there was a tragic instance in which a priest, a native of Mexico and belonging to a Diocese there, who was assisting temporarily in this Archdiocese, was accused of molesting a number of young boys.

The Archdiocese saw to it that the matter was properly reported to the authorities and removed the priest from all positions of service in the Archdiocese pending an investigation. The priest, however, decided to return to Mexico and his whereabouts are unknown.

I can assure you the Archdiocese certainly did not send him out of the country to avoid imprisonment and has done everything possible to see that his whereabouts be known and that he returns to face the charges against him.

Trusting this will answer your concerns and wishing you blessings, I remain

Sincerely yours,

TC: Call from REDACTED

January 30, 1989

Yesterday one of the REDACTED boys called and said he needed to come and see her (REDACTED . She reminded him of what she had told them—they canceled all their November appointments and said if he was serious etc. she would set one up with him.

Next thing she got was a call from police in charge of the case (an OfficerREDACTED (sp?). He said the family needs help and you are too far away so do you recommend someone else he can go to or how is your Church going to handle this?

She told him to have Mrs. REDACTED call Msgr. Curry. REDACTED stated feeling is, how long is this going to go on? How long are they going to hold Church responsible?

January 31, 1989

Monsignor Curry informed REDACTED \_\_\_\_ that Officer Esparza called him this morning and the family told him they wish to go to a family therapy clinic. Would the Church be willing to pay the fees there, to which Monsignor Curry said yes.

withdrawn. 01/26/1988 Excerpts from Msgr. Curry's memo to Ab. Mahony: The police are making every effort to obtain the list of altar boys from St. Agatha's. Father. REDACTED, the pastor, is very reluctant to give it to them, and I support that decision. We have no evidence that Father Aguilar was involved with altar boys as such. All the boys involved were members of families he was friendly with, and the alleged abuse took place while he was visiting these families. Father REDACTED has no knowledge of his being involved with boys at St. Agatha's, and his concern is that if the police come and interview the boys, the matter will spread around the parish. He and I are also concerned about the police interviewing boys about this matter when we have no reasonable suspicion they know anything about it. If, in fact, nothing happened at St. Agatha's, such interviews may have a negative effect on the boys, their families, and the parish. We are being friendly but firm, and both REDACTED and I are in contact with the police on this matter. 01/26/1988 Ab. 02/20/1988 Excerpts from Ab. Mahony's letter to Father (ロレハン・ロン) Because of the unfortunate situation which has developed because of Father Nicolas Aguilar, I would be grateful to you if you would read the following statement from me at the end of all your Masses this weekend, Saturday and Sunday, February 20 - 21: "I am extremely saddened by the allegations that have been made. Our sympathies go out to the families involved, and the Archdiocese will, as always, be available to help these families in their time of need." (This identical letter was sent to the Pastor of Our Lady of Guadalupe, Father REDACTED 02/23/1988 Excerpts from Msgr. Curry's ther to Bishop Rivera: Enclosed is a copy of a story from the Los Angeles Times of February 20. If you know the whereabouts of Father please urge him to return here to answer the allegations that have been made against him: 03/04/1988 Ab, Mahony wrote to the Vicar General of the Diocese of Cuernavaca, Mexico and sent him a copy of the letter he had written to Bishop Rivera. Ab. Mahony is seeking assistance in locating Father Aguilar in order for him to return to Los Angeles to face the charges which have been brought against him. 03/04/1988 Excerpts from Msgr. Curry memo to file: Today I talked to Officer Esparza regarding the progress of the case. He informed me that they presently have 26 crime reports ready. There are approximately 15 more children to interview in St. Agatha's. The incidents there apparently happened in a classroom in the church, in that the children were teaching him English. He may have one or two boys with him and his mode in the classroom was to sit between the boys and then start fondling first one boy's genitals outside: The clothing and then the other boy's. Therefore, the police do have some corroboration testimony when it occurred to two boys at the same time. Some of the boys were then asked to feel Father's genitals, but always on the outside. He inferred that the case is serious. He stated that only family in St. Agatha's he is very concerned about. He is so concerned that he did give me the names and would hope that Father REDACTED may contact the family and offer counselling personally. The two have involved are a fourth grader named REDACTED and a third grader named ... On March 2, 1988, the officer went to their home and talked to the parents, and he found them extremely disturbed in the sense that the father of the family does not believe it happened and the mother was angry. When they talked to the children at school, a counsellor without even knowing what he was talking to the third grader about, stated that REDACTED had been a model student and in this past year has exhibited many problems. He told me he has contacted most of the families offering counselling. He has found the families extremely reluctant even to think of counselling and, in fact, overall he has been impressed by the deep faith of the various families, and that they more or less wish the whole thing would go away. He did state that parents have resented that they have interviewed their children at times, and it has not been easy for the police. He also informed me that since the incidents occurred to children under the age of 14 and involved touching genitals,

would be a felony and, therefore, the police will go to the DA's Office versus the City Attorney's Office to lodge the police report. We had a good discussion on how both of us hope that the DA's Office will decide just to accept the police report and not make a decision that they have to interview the children again. It is not in the best interest of the children for this to occur. I really stressed to him that the police need to help us in this area, because it will do no one any good to keep this thing going. I then asked if they had found my man in Mexico? He stated that at this time they have made a decision not to look for him, but that could change as time goes on. He told me if I had heard what the reporter stated that she had reached somebody in the Diocese from which he came and that he was at a parish there and then told about the charges in Los Angeles, that he left the parish and no one knows where he is at this time. The officer and I both decided that we could not give too much credence to that story, since newspapers are not our most reliable source. 03/11/1988 A victim has emerged. He is a nephew of REDACTED REDACTED Father Nicolas phoned one of the parents acting as if nothing has happened. She asked him: "Don't you know everbody is looking for you?" He said: "For what?" Father REDACTED; has communicated this to the police. He also told the police as well as she could where the call came from some place near Cuernavaca. 03/17/1988 Excerpts from Bishop Rivera to Ab. Mahony: I totally agree with you that this priest should answer to the authorities for the crimes imputed to him. He has not returned to this Diocese. I can tell you that he was here for more than ten years and without doubt the police can provide much information. I know that several of his relatives live in Los Angeles. I have no idea of their names and addresses, and you will understand it is not possible for me to locate them. My January 27, 1987 letter included a photo ID. Also, in a confidential letter dated March 23, 1987 I gave a brief account of the homosexual problems of this priest. (No record or copy of any confidential letter from Bishop Rivera dated March 23.) 03/30/1988 Excerpts from Ab. Mahony's letter to Bishop Rivera: We never received your letter of March 23, 1987 in which you shared with us a "resume of the homosexual problems of Father." In your letter of January 27, 1987, you stated that Father Aguilar wanted to come to Los Angeles for family and health reasons. There is no mention of any personal, moral problems. Please send us a copy of your March 23 letter and explain why such serious matters were never mentioned in your letter of January 27, 1987. I am going to share your letter with the police. Please pray for the children who have been affected by Father's actions. 04/12/1988 Excerpt from the article that appeared on the Times; Father Aquilar was formally charged with sexually assaulting eight of the youths and two other children. He was charged in a felony complaint issued by the Los Angeles County DA's office with 19 counts of committing a lewd act with a child. This was a necessary step in seeking his arrest in Mexico if he fails to return to the US voluntarily to face prosecution. According to church officials in Mexico, he stopped at his former Diocese in Tehuacan; Puebla and announced that he was resigning as a priest. He said he was going to Cuernavaca to stay with relatives. If it appears he will not return, then we will try to get him prosecuted in Mexico," said Detective Lyons. The police have criticized as "unfortunate" a decision by Archdiocese officials to confront Aguilar with the allegations against him before reporting the case to police. We need to correct the ACCESS database for Reverend Nicholas R. Aguilar. I have not looked at Nutshell to see if it is correct. Attached is the print out.

According to the database, he left the Archdiocese in 1988, yet he has one assignment bbeginning in 1987 and ending in 1997, and another beginning in 1997. I believe he left OLG Rosehill in May of 87 and St. Agatha in January of 88.

Also, ACCESS lists him as belonging to the Archdiocese of Los Angeles. I believe he was an extern, so let's be sure we have his correct Diocese of Incardination.

Please compare the databases and the files to get correct data inserted.

Thanks.

First received by the Archdiocese as an attachment to the 11 de Junio de 2004 (June 11, 2004) letter.

Marzo 23 de 1987.

Excmo. Sr. Arzobispo
Don Rogelio Mahony

U.S.A.

CONFIDENCIAL.

Excelentísimo Señor:

Lo saludo atentamente deseándole toda clase de bendiciones en el Señor.

Quiero presentar a usted al Sr. Pbro. Nicolás Aguilar Rivera el cual pidió permiso por un año para ausentarse de ésta Diócesis y trabajar en la Arquidiócesis de los Ángeles, California.

El Padre Nicolás Aguilar Rivera venía desempeñando -muy laudablemente su trabajo en la Parroquia de San Sebastián Cuacnopalan. Es un sacerdote estimado por sus compañeros sacerdotes y por el pueblo al cual sirvió.

Lo que causó su salida de la Parroquia fue una agresión física muy delicada, se sospecha que detrás de los --conflictos que provocaron esa agresión física hay problemas de homosexualidad. Las acusaciones sobre homosexualidad del Sacerdote son varias sin que se haya comprobado --ninguna, todo ha quedado a nivel de acusaciones y de sospechas.

Aprovecho la oportunidad para encomendarme a sus oraciones y repetirme de usted su hermano y servidor.

His Excellency
Most Reverend Sergio Obeso Rivera
Archbishop of Jalapa
Apartado 359
Av. Manuel Avila Camacho 73

Dear Archbishop Obeso Rivera:

I am writing to seek your assistance with a priest who worked for a short period of time in the Archdiocese of Los Angeles, and who was found to have abused sexually children and young people while he was in this Archdiocese.

His name is: Rev. Nicholas Aguilar Rivera.

111 -

He was born in Puebla on September 10, 1941 and was ordained a priest in 1970 for the Diocese of Tehuacan. In January, 1987 Bishop Norberto Rivera wrote to me requesting that we offer Father Aguilar Rivera a priestly assignment in this Archdiocese "for family and health reasons."

From early 1987 through early 1988 Father Aguilar Rivera apparently molested several young people in both parishes in which he served. The police were notified, but before the police could speak with him, he had fled the United States and returned to Mexico.

Upon his return to his Diocese, he apparently told the Bishop that he planned to leave the priesthood and he then disappeared. None of us every heard anything further about him.

Today, while visiting with one of Father Aguilar's victims, that victim stated that he had heard that the same Father Nicholas Aguilar Rivera was working as a priest somewhere in the greater Vera Cruz area of Mexico. We had never received any similar information, but I wanted to make certain that you were alerted to this priest.

It would be helpful if you, as the Metropolitan Archbishop of that region, could forward copies of this letter to the Suffragan Dioceses of Jalapa to make certain that Father Aguilar Rivera is not functioning anywhere as a priest.

It would be best if Father Aguilar Rivera could be sent back to Los Angeles to face the criminal and civil charges which the authorities have brought against him. Also, Father Aguilar Rivera should be returned to the lay state canonically because of his past crimes against minor youth.

I am grateful to you for your willingness to share this information with the Suffragan Dioceses of your Metropolitan Archdiocese. The Bishop of Tehuacan should also be notified if Father Aguilar Rivera is found.

We all have a very serious responsibility to make certain that the Church is safe for everyone, but especially for children and youth.

Thanking you for your assistance in this matter, and with kindest personal regards, I am

#### Señor Cardenal:

Con fecha 8 de julio de 2006, recibí su atenta comunicación sobre el caso del Rev. Nicholas Aguilar Rivera, con serios problemas de conducta moral.

En mi condición de Arzobispo de la Provincia Eclesiástica de Xalapa, puse en conocimiento, como me lo indica en su carta, de todos los Obispos de esta Provincia, lo relativo a este sacerdote. Ellos tomaron nota y, naturalmente, estarán sobre aviso para evitar pedirle servicios al sacerdote mencionado, pasando por alto lo que tiene pendiente ante la Justicia de los Estados Unidos.

Los Obispos de la Provincia se sienten agradecidos con Su Eminencia por haberlos alertado sobre el caso.

Aprovecho la oportunidad para suscribirme como su hermano en el Episcopado y servidor en Cristo Jesús.

+ Seepo Deco.

Atentamente:
