RE: Mark Lewis Tancabel

Dear Mr. Hoffman,

I am writing in reply to your letter about Mark Lewis Tancabel. Mark has been arrested for and has admitted to having had committed sex acts against young boys. I do not feel that Mark should be able to participate in the Boy Scouts of America. We have a complete file on Mark to substantiate my opinion.

If you have any further questions, please feel free to call.

Sincerely,

Mr. Robert E. Hoffman

PERSONAL & CONFIDENTIAL

Dear Robert:

Thank you for your recent letter concerning Mark Lewis Tancabel. You are correct in your assessment that he should not be registered with the Boy Scouts of America.

We would like some more information if you can secure it for our files. This will help to strengthen our case and help us to refuse registration at a later date in case neither of us are in our present positions.

You indicate that this situation was handled by you and other members of the Troop Committee. If a letter was given to the individual, we would like a copy of this. We would also like to know what took place and whether Mr. Tancabel admitted his wrong doing.

We would appreciate copies of any police records that you can secure. These will be very helpful in sustaining this situation. Will there be a trial, and did any newspaper articles appear? All this information is most helpful to us in strengthening our files.

CONF000396

DYKES_I_000393

Can you secure statements from any other individuals who were involved in this situation? I appreciate the fact that I have asked for a lot of information, but I hope you will secure as much as you can so that this case will not be refused by our corporate attorney.

I am enclosing a confidential record sheet which I would like for you to complete as fully as possible so that we may be able to identify Mr. Muncabel.

Sincerely,
