RE: Archdiocese of Milwaukee
Case No.: 11-20059-svk
Our File No.: 2974-10000840

Dear Judge Kelley:

I represent Bishop Richard J. Sklba. His deposition is the subject of motion activity in your court. Enclosed is our Notice of Appearance.

His concerns about the timing and scope of a deposition were expressed in the Milwaukee Civil Court filing that I understand is marked as Exhibit B in the Archdiocese's submissions provided to the court today.

Bishop Sklba is in good health. He is retired, resides locally, and will cooperate with all requests of his time in providing information the court deems necessary.

A deposition at this time appears to expose him to the prospect of other depositions at a later date due to the uncertain size of the claimant base and the multiple representation by single counsel for the abuse-survivor 'class'.

On behalf of Bishop Sklba the court is urged to take into account the materials on file in Milwaukee County Case No. 2007-CV-10888 in fashioning appropriate limitations on any deposition that may be ordered.

Thank you.

Very truly yours,
